About the New York City Charter School Center:

The New York City Charter School Center is an independent non-profit committed to fostering an environment in which public charters can open and flourish, and, through their innovative approaches, provide models for improving all public schools. The Charter Center helps new charter schools get started, supports existing schools, and engages the charter school community around key issues.

About NYC's charter schools:

Charter schools are free, independently run public schools that are able to innovate in their classroom structures, curriculum, and teaching methods. In return, they're held to higher standards of accountability.
